(January 3, 2006)
Possible sources of shot blasting machines include:

1. Humble Equipment Company
1720 Industrial Drive
P. O. Box 1606
Ruston, LA 71273-1606
(318) 251-1935
2. US Filter Blasttrac
6215 Aluma Valley Drive
Oklahoma City, OK 73121
(405) 478-3440
3. Texas Shot Blast
4040 Beckwood
San Antonio, TX 78259
(210) 497-5594
4. Hatch Western Company, Inc.
2140 Windham Oaks Court
West Linn, OR 97068
(503) 557-9898
5. American Concrete Cutting
4600 Main Street
Springfield, OR 97478
(541) 726-8597

The Contractor may choose to use a machine from a source not listed above, provided the machine is manufactured specifically for concrete removal and meets the performance criteria specified in Section 6-09.3(1)D.
